

#SAFETYfirst

The health of our guests and collaborators is an absolute priority.
For this reason, together with all our members of staff,
we have updated our hygienic-sanitary standards.
We also profit by the unique position amongst the nature of the Val Senales.
Here the air is pure and mountain fresh, a mountain made of
sunny paths and opportunities for refreshments.
There is nothing that will get in the way of a holiday
both pleasant and stress free.

Safe check-in from home

Why not check-in easily in advance so you don't have to wait and make use of every minute of your holiday? Use our digital pre-check-in: the adventure can begin immediately.

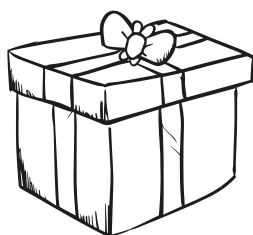

Carefree booking

To avoid any concerns, we offer you the chance to cancel your booking free of charge up to 7 days prior to expected arrival. We have flexibility in our blood!

Entry Check

All our collaborators are trained on the hygienic guide lines and, every day, before starting work, they are subject to a body temperature control. Those who show a fever cannot work. All the staff wears nose and mouth protection and respects the rules of hygiene.

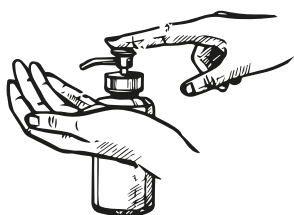

Safety-Present

On your arrival you will receive a kit with a disposable mask and hand disinfectant so that you can give a start to a super holiday in complete safety.

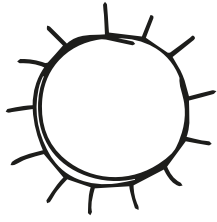

Less is more

In the communal areas we kindly ask you to maintain a minimum distance of 1m from other people (with exception to members of the same family or people occupying the same room) or to wear protection over the nose and mouth. Use the lift only with your family. We will enter the rooms as less often as possible: let us know if and when we can clean/disinfect the room.

Safety first

You will find dispensers of disinfectant throughout the hotel. All the surfaces and points of contact are disinfected regularly. We ask you to avoid shaking hands and embracing and to wash and disinfect your hands frequently.

Spacious outdoors

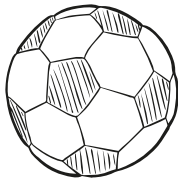

We will organise the major part of events outdoors: more space, more freedom, and more fun!

Buffet

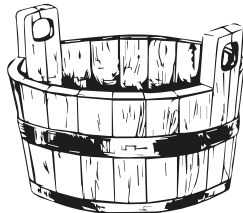

The breakfast buffet, afternoon buffet and evening salad buffet are guaranteed as usual. We kindly ask you to wear a mask and gloves (we will supply them).

You can make use of our room service, ordering delicious specialities and enjoying them directly in your room or suite (or on the balcony/terrace).

Kids time

We have created a cool program for you. Namely in smaller groups but with even more FUN!
